

THE RECTOR

Having considered the current regulations and laws regarding the Italian University, the GSSI Courses, the GSSI Internship regulation D.R. nr. 83/2023;

DECREES

The Gran Sasso Science Institute (GSSI), based in L'Aquila, Italy, offers **40 positions** for the Internship Programme in Mathematics Area “**Open Day for Ph.D. in Mathematics in Natural, Social and Life Sciences**”, which will take place **on June 18th 2024**.

The positions are not funded by scholarship. The travel expenses and on-site expenses for participation in the internship program by the selected candidates will be partially covered by GSSI, taking into account the geographical distance from the Institute.

Official language of the Internship Programmes: English. Good knowledge of English language is compulsory. All the activities will take place in presence at GSSI.

Requirements

Applications are open to candidates who, at the date of the publication of this call, are enrolled to a Masters' Degree (or equivalent) at an Italian or Foreign University, or hold a master's degree or an equivalent qualification from Italian or foreign universities by the application deadline.

Application

Applicants must fill out the application form in attachment either in English or in Italian, and send it by email, subject line “Internship Open Day Mathematics 2024” at the following e-mail address: **openday.math@gssi.it, within June 10, 2024**. No other application method will be accepted.

Candidates must upload in the same email the following documents in pdf format:

- application form, filled and signed;
- a valid ID signed and dated;
- curriculum vitae et studiorum;
- motivational letter

Selection Procedure

Candidates will be evaluated by the Selection Committee on the basis of the following criteria:

- max 30 points, attributed as follows:

- max 20 points Curriculum Vitae;
- max 10 points motivational letter.

Minimum score for eligibility: 21/30.

All the information regarding the selection procedure will be published on the website www.gssi.it, the publication will constitute valid notification to all intents and purposes.

Admitted candidates will be invited through e-mail.

Admitted candidates are required to be at GSSI at the date indicated from the Administration Offices. No shows, without adequate justification, will result in the exclusion of the candidate from the Internship Programme.
